

To Whom It May Concern:

My name is Tim Raymond and I am eager to volunteer as a reference for the great service we received from Hampton Painting. I am the president of the association in The Arbors of the Pinebrook-Ironwood Condo Association in Bradenton. I also work for a large and highly respected concrete/masonry contracting company, Bob Miller Masonry Inc., of Sarasota. We have worked on several projects alongside Hampton Painting, and the general contractors always spoke well of them so I included them in the bidding process when we were planning to paint the three 4-story condo buildings in our association. After reviewing the painting contract bids, I chose Hampton because they had prepared an in-depth bid sheet which covered all the details and addressed all the concerns that we had. They also did a very conscientious and educated on-site building inspection with several of our board members and answered many questions.

During the painting process, the workers were very professional and many owners commented on how much better they were than the last crew we had hired about 9 years previous. The project was completed in the time frame they had told us and there were no extra unexpected charges. During the painting, we encountered unexpected stucco damage and they had the right people to do the repairs according to specifications and procedures. I like quality work - and if there are problems, I expect them to be dealt with fair and square and fixed right. Hampton Painting meets and exceeds my personal and professional standards.

Regards,

Tim Raymond

President of the Arbors 3980 Ironwood Circle Bradenton FL. 34209

In the Pinebrook/Ironwood neighborhood.
