Newport 138 Carriage House
Insulated Steel Garage Doors

**Carriage House Style Doors
with an Energy Efficient R-12 Rating**

World Class Quality
Local Availability

Newport 138 Carriage House Insulated Steel Garage Doors

The Newport Carriage House offers homeowners, as well as home builders, the timeless look of carriage house doors, one of the industry's highest insulation values, and the strength and practicality of pre-finished steel in a variety of colors. This is a highly energy efficient door featuring a calculated insulation value of R-12.

Three layer construction with a CFC-free polyurethane core and full 26 gauge galvanized steel skins inside and outside

- 1-3/8" thick steel sandwich construction using a polyurethane insulating core with an R-value of 12
- Durable two-coat baked-on polyester paint finish on both sides of door
- Stamped V-Groove Panels for carriage house door design
- Sections have a thermal break and dual weather seal between them for tight closure and energy efficiency
- Three-year hardware warranty
- Limited lifetime warranty against rust-through or delamination of door sections

Here's why we can offer a "Lifetime Rust-Through Warranty"

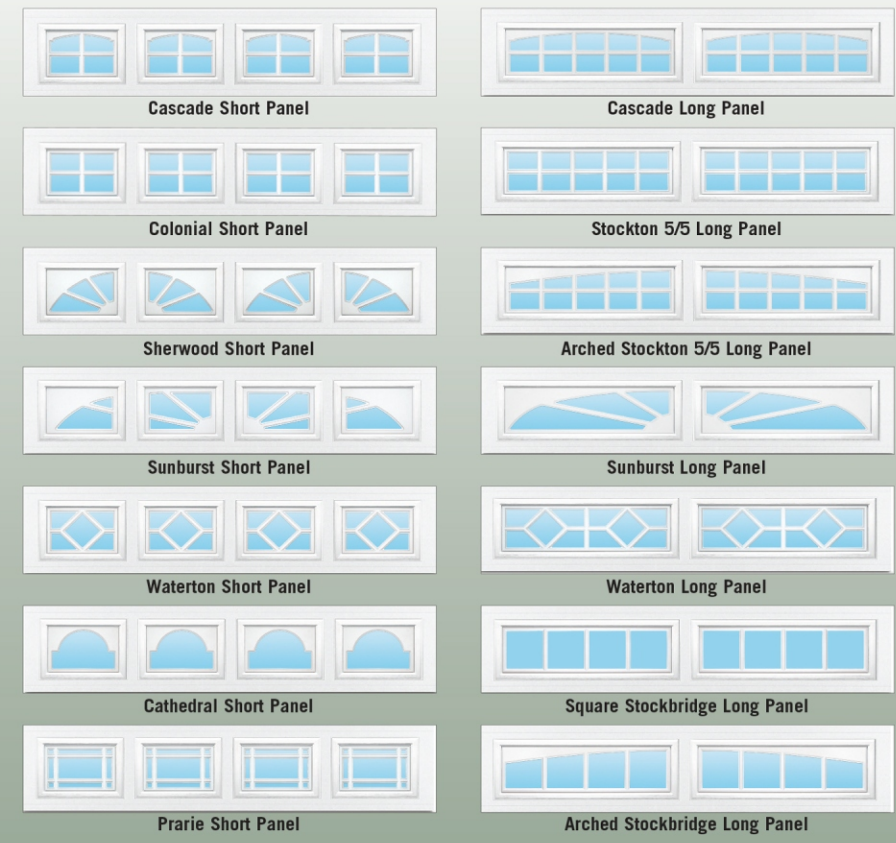

A standard feature of The Newport CH is our tough, anti-corrosion protection – inside and out.

- 1-3/8" thick Polyurethane (100% CFC-free) Inner Core
- Base Steel
- Hot-dipped Zinc Coat (Galvanized)
- Primer Coat
- Baked-on Polyester Top Coat

WINDOW OPTIONS

General Doors' Newport CH doors are available with either two windows (long panel) or four windows (short panel), plus several distinctive design trim styles that work with a variety of architecture. Wider doors have different layouts. Color matched frames and design trim inserts that snap-in and snap-out for easy glass cleaning are standard. Newport CH windows are either single or insulated glass.

Decorative Hardware

General Doors' decorative hardware is an ideal way to customize a Newport CH door. Inspired by antique carriage door hardware and available in wrought iron or flat black, this finishing touch can transform the look of any door and even the look of your home.

There's a Newport Carriage House Door for Every Garage

Weather-tight fit with thermal breaks and dual, between section seals

Finely detailed V-Groove Carriage House style panels

Continuous process polyurethane insulating core R-12

Continuous steel reinforcement strip for hardware attachment

Flexible 3" vinyl bottom seal in aluminum retainer

Lifetime limited warranty against rust-through and/or delamination of door face. Three year hardware warranty. See dealer for complete warranty information.

Green Building Benefits

Energy savings from insulation value, recycled content, and product longevity.
