LIGHTING
& PLUMBING
FOR YOUR
LIFESTYLE

Offering a wide array of electrical services

WIRING & LIGHTING

Twin Pine's technicians are trained to treat you and your home with the highest level of respect and courtesy. From simply wiring your ceiling fan to wiring your dream home, let our professional staff handle all the details for you.

LANDSCAPE LIGHTING

Landscape lighting is an important component to your outdoor living areas. Allow Twin Pine to design a layout to decoratively illuminate your landscaping and add value to your home.

AUTOMATED LIGHTING CONTROL

Allows us to design and install a Lutron automated lighting control system that will not only meet your lifestyle needs but also your budgeting needs. New construction or remodeling, Twin Pine Electric, Inc. is standing at the ready to give you and your family security and peace of mind that is only a finger tip away.
