Financial Policy

The best dentistry is based on mutual understanding. In order to prevent any misunderstanding about finances, the following credit arrangements are available:

1. Payment or Co-payment is due at the time of service. Co-payment is the amount your insurance company will not cover plus any annual deductible.
2. We accept Visa, Mastercard, and Discover credit cards.
3. We offer a payment plan upon approval of credit.
 - a. CARE CREDIT® offers 3, 6, or 12 months-deferred interest financing, depending upon the amount of treatment financed. An Extended Plan, with interest, is available for extensive treatment.

Dental Insurance

I hereby authorize assignment of my insurance rights and benefits directly to Dr. Telloian for the services rendered. **I fully understand that I am SOLELY RESPONSIBLE for any balance(s) not paid by my insurance company.**

I understand that all treatment plans and financial portions are **ESTIMATED** and may change over the course of treatment. Regardless of my insurance company's involvement, **I am still responsible for any additional fees that may incur.**

Appointments

So that we can provide you with optimal care in the time reserved for you, we ask that you be on time for your appointments.

If you are unable to keep your appointment, we respectfully request that you give us 48 hours notice. **We reserve the right to charge for broken appointments without 48 hours notice that we are unable to fill.**

I have read and agree to the above policies of this office.
