Message From The President

PRESIDENT HOLIDAY MESSAGE

As 2012 comes to a close, on behalf of the Board of Directors, we want to take this opportunity to thank you for your support and commitment to PAHC’s mission. For all the support and many kindnesses PAHC have received during the year, we are thankful, abundantly grateful and deeply appreciative.

2012 has been challenging, yet rewarding and we take proud in those accomplishments that we had success; we experienced a fantastic annual conference and learning event this year, where we fellowshiped with cooperators and maintained the cooperative and community spirit. We celebrated our accomplishments and faced our challenges together, because only by working together, we were able to achieve the successes. Our loyalty in our work on behalf PAHC is priority. As we move forward into the New Year we are committed to making PAHC the guiding light of education and leadership for our members.

In closing, we extend our sincere appreciation and best wishes to all of you for the holiday season. Our prayer for you is to open your heart and home to the unspeakable joy, peace and love. Please share that which has been granted favor to you with those who are less fortunate. Let us not forget the reason for the season and with whom, all things are possible. We hope you will rest, relax, renew, and spend valuable time with your family and love ones.

With warmest wishes,

Annie Hill, President

Suppose we give you a year's free rent, evict all your neighbors, redecorate your apartment, hire an additional maintenance man just to service your apartment, close the office and have the manager shot. Would that be satisfactory?

Merry Christmas

HAPPY HANUKkah

HAPPY KWANZAA
I attended the National Association of Housing Cooperatives 52nd annual meeting in Reno, October 10-13, 2012. It was an eye opening experience. Meeting people from across the nation from various cooperatives was very enlightening. In the words of Mr. Oakes, President of the National, “It was inspiring to see what ordinary everyday people were doing all over the globe to solve their social and economic problems.”

The meeting proved to be very informative and well attended. There were workshops ranging from New Board Member Training to Sexual Harassment in the Workplace. I received valuable training at each workshop I attended.

How to market your cooperative on a shoestring budget was one of the workshops I attended. The speakers informed us of how important it was to smile at everyone who entered our offices because everyone is a potential member. They also stated that body language was an important part of greeting potential members. It is important that we focus on the unique aspects of our cooperative through community outreach and word of mouth. It was a great workshop.

Another workshop I attended was Roberts Rules of Order. This workshop and its handouts stressed the importance of following the agenda at board meetings and sticking to the rules of conduct at the meetings.

The other workshops I attended was Duties of the Secretary beyond Minute Taking, Troubled Cooperatives, and How to Solve Board Member Conflict. Each workshop with its handouts was instructive and enlightening.

Overall, the conference was one that I’ll treasure. I met new cooperators as well as seasoned cooperators, was given an education that was helpful, and look forward to using my new found knowledge to become a better cooperator.
