ASSIGNMENT OF BENEFITS

Financial Responsibility

I understand that insurance billing is a service provided as a courtesy and that I am at all times financially responsible to Change of Heart Cardiology and/or its affiliated entities for any charges not covered by health care benefits. It is my responsibility to notify the office with any changes in my health care coverage. In some cases exact insurance benefits cannot be determined until the insurance carrier received the claim. I am responsible for the entire bill or balance of the bill as determined by Change of Heart Cardiology and/or my health care insurer if the submitted claims or part of them are denied for payments. I understand that by signing this form that I agree that if my account is referred to an outside agency or attorney for collections, I will be responsible for an additional Collection Fee of fifty dollars (\$50.00) or 25% of the balance owed, whichever amount is greater.

Assignment of Benefits

I authorize direct remittance of payment of all insurance benefits, including Medicare, if I am a Medicare beneficiary, to Change of Heart Cardiology for all covered medical services and supplies provided to me during all courses of treatment and care provided by Change of Heart Cardiology and/or its affiliate entities or otherwise at its direction. I understand and agree this Assignment of Benefits will have continuing effect for so long as I am being treated or cared for by Change of Heart Cardiology, and will constitute a continuing authorization, maintained on file with the Change of Heart Cardiology, which will authorize and allow for direct payment to Change of Heart Cardiology or all applicable and eligible insurance benefits for all subsequent and continuing treatment, services, supplies, and/or care provided to me by Change of Heart Cardiology.

Authorization to Release Information

I authorize the release of any medical or any other information to my insurance carrier (s), or other entity necessary to determine insurance benefits or the benefits payable for related medical services and/or supplies provided to me by Change of Heart Cardiology. A copy of this authorization will be sent to my insurance carrier (s), or other medical entity, if requested. The original authorization will be kept on file by Change of Heart Cardiology.
