

**Dr. Lynn F. Ascher, P.A.**

Oral & Maxillofacial Surgery

560 Riverside Drive, Suite B201

Salisbury, MD 21801

410-543-1675

---

## **Intravenous Sedation/Nitrous Oxide Instructions**

1. Do not eat or drink for 8 hours prior to your scheduled appointment. This includes water.
2. A responsible adult is needed to drive you home. **This person must come in to the office and remain in the office until surgery is complete. If the person is not present upon arrival, your surgery will be rescheduled.**
3. Do not smoke or chew gum for 8 hours prior to your surgery.
4. Do not wear earrings, tongue rings or lip rings.
5. Do not wear fingernail polish or acrylic nails.
6. Wear a short sleeve shirt and loose clothing.
7. Please remove contact lenses before your surgery.
8. Call if you have developed a cold.
9. Surgery appointments are scheduled very tightly. Please notify us as early as possible if you are not able to keep your appointment. Failure to notify us may result in a broken appointment fee of \$25.00
10. The above instructions are safety precautions. If they are not followed, we must cancel your surgery.

**This is conscious sedation. You will not be asleep.**
