Air Foam Rolls

Non-abrasive, lightweight air foam is filled with thousands of cushioning air cells to protect your product.

- Shock absorbing foam protects delicate items.
- Provides light cushioning and surface protection.
- Perforated Foam Rolls are cross-perforated every 12" for easy tear off.
- UPSable Foam Rolls are great for low volume or retail applications.

Cohesive Air Foam Rolls

Make your own custom foam pouches.

- Cohesive Foam will not leave a residue behind because it sticks to itself, not to the product.
- Simply set the product on the foam and then fold and press sides for a custom fit.
- Perfect for odd shaped items.
- 1/16" thick foam effectively protects products from scratches and marks.
- Cross-perforated every 6" for easy tear off.
