

Dear Parent/Guardian,

Occasionally, the staff of North Star Academy and media representatives may want to interview, photograph or videotape your child for use in publications, television reports, public presentations and websites. The photographs may be of groups of students or individuals, and the students' names may be used. For student protection online, a student's photo and last name will not appear together on our website

Please complete the section below and return the form to the child care office.

Thank you for your cooperation in helping us highlight the good work and efforts of our children and instructors.

**Please check one:**

- ☐ I give permission for my child to be photographed and interviewed and permission to have my child's name used. Only first names will be used on a webpage if a photograph of that student is also displayed on the webpage.
- ☐ I give permission for my child to be photographed, but **do not** want my child's name used.
- ☐ I **do not** want my child photographed or interviewed and do not want his or her name used.
