Dear Jack;

We want to let you know how much we have appreciated your services over the past several years. As business owners and commercial property owners, we expect high-quality craftsmanship from all of our service vendors. You and your staff have always gone above and beyond that expectation.

Your company is well-versed in both sewer and septic applications. It is a relief to know that we can call one company to service all of our properties. Whether it is for emergency service or routine maintenance, you are always reliable.

We have enjoyed our past relationship and look forward to many more years of using Jack's Septic Service for all of our sewer and septic needs.

Sincerely,

Fred Abdo  
Owner
