

## Elite Awning® Retractable

by Accent Awning Company™

Our **Elite Awning®** system is superior to anything on the market today because, in our state-of-the-art factory, craftsmanship is key. We use only the highest quality materials to engineer the **Elite Awning®** for versatility, durability and elegance.

The **Elite Awning®** comes with an unbeatable range of options including protective hoods, multiple hardware colors, vertical drop valance, convenient slope adjustment system, and heavy duty arm support, as well as manual, electronic and remote operation choices. Additionally, it has the ability to span multiple widths (6 ft to 80 ft) and six projections (5 ft to 13 ft).

Optional Remote

Now it's easy to control the sun with the **Elite** retractable patio awning. The **Elite Awning**® can be operated manually or electronically (by switch, remote or automatic sensor) to deliver the perfect amount of shade. Add a Somfy® motor to ensure years of quiet, trouble-free operation. All Somfy® motors and electronics are backed by a 5-year limited warranty and require no maintenance or lubrication. Be sure to ask your Sales Consultant about the wide array of options available, such as fully automated sensors, timers and remote control systems.
