

One person's junk is another's treasure

Stormville Airport will host its "Ultimate Family Yard Sale" from 9 a.m. to 3 p.m. Saturday, June 17, at 428 Route 216, in Stormville.

This yard sale is one of the most sought out events as it gives people the chance to sell their used items at a venue that is so well known for drawing in thousands of customers all at once.

Have you been putting off having a yard sale because of all the hassles? Or worse... you go to all the trouble and nobody comes?

Forget sticking signs all over the neighborhood and having dozens of people in your yard. Whether you have a little or a lot, come sell your unwanted items at the yard sale.

You can purchase a 20-foot by 20-foot booth for only \$60. Participants are

asked to provide their own tables (8 foot table rentals are available, first come, first serve for only \$10), chairs and canopies, as this is a rain or shine event.

This yard sale is the perfect opportunity to clean out those closets, attics, basements and garages. It is a great way to sell those unwanted clothes, household items, furniture, toys, books and sporting goods. What might seem like junk to you is another one's treasure!

If you are interested in participating, fill out a contract that you can find under "Yard Sale" at stormvilleairportfleamarket.com, or call 845-226-1660. This event has free admission/parking and pets aren't allowed.
