

Griffith Animal Hospital offers grooming for both cats and dogs. Our grooming appointments are by reservation Monday through Thursday. We ask that your pet be checked in between 7:00 a.m. and 9:00 a.m. Most pets are ready to go home between noon and 2:00 p.m. Clients have until 6 p.m. to pick up your pet.

All grooming consist of a bath, nail trim, ear cleaning, anal gland expression, a blow dry, and brushing. You may also choose to have your pet's coat trimmed. Our groomer can create a variety of styles, from a breed specific cut, a sanitary cut, or something of your own creation. We also have a variety of shampoos to accommodate any skin issues your pet may have.

The safety and well-being of your pet is our top priority so all pets must be current on vaccinations to be groomed at our facility.

On occasion, a pet may need sedation to be groomed. Sedation can be performed at our facility but we try to work with any pet behavior and try to use sedation as a last resort.

For any questions regarding our grooming services or to set an appointment, please call us today.
