OUR MISSION

Family Funeral Chapel and Cremation offers is a low-cost mortuary for those who seek quality, simplicity, an affordable price and dignified care for a loved one who has passed away, or perhaps for yourself if you are pre-planning. It is our goal to provide every family with the type of quality Funeral or Cremation service that they want at an economical price that you can afford. We will help you with clear, straightforward answers.

Family Funeral Chapel and Cremation is Family-Owned and Family-Operated and is not a part of any corporate chain. Therefore, we have a much lower overhead than the large, corporate chains. This means that we can serve our families as we see fit at a much lower cost to you. We serve the entire Inland Empire as well as the High Desert, the Mountain Communities and all of the counties of San Bernardino, Riverside, Los Angeles, Orange and San Diego County. We also can escort your loved across the border, the country or the world.

We offer a 100% Low-Price Guarantee. If you find a lower price, we will beat it. Just let us know. We also offer Emergency Payment Plans.

Federal and State Agencies have determined that itemization of funeral services is essential for the benefit of the general public, to assure that consumers are not asked to pay for services they do not receive.

Prior to drafting any contract for goods or services, the responsible party or the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any pre-need agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent.

The goods and services shown here on our general price list are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any item you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected. This list does not include prices for certain items that you may ask us to buy and order for you; such as newspaper obituary, certified copies of the death certificate, clergy, outside church, musician fees, coroner fees, consulate fees, airline fees, etc. The prices for those items will be shown on your bill or the statement describing the funeral goods and services you selected.
